Sound massage
Crystal, Drum, Cupping

The logo features a stylized, symmetrical design. At its center is a dark circle containing the word "Alef" in a gold, serif font. This central circle is surrounded by several layers of concentric circles, each marked with small gold dots. To the left of the circle, there is a large, ornate, gold-colored shape resembling a stylized eye or a fan with radiating lines and circular patterns. The background of the entire graphic is black.

Alef
